"If you have ever seen a big ship entering a harbor, or glimpsed one out on the horizon and wondered what it must be like to be onboard, then his songs are for you. Charlie's songs and stories make it as real as the wind in your face, the comradeship of the crew, and the movement of the deck under your feet."
— Davis Helberg, Director (Ret.)
Seaway Port Authority of Duluth

"Charlie has made incredible contributions to preserving Lakes history!"
— Patrick Labadie,
Director, Emeritus Lake Superior
Maritime Visitors Center, Duluth

"Your songs are damn good and so are you."
—Pete Seeger
